# A Message from the Supervisor

Dear Resident

On behalf of the Islip Town Board, I am pleased to provide you with our Winter/Spring *Recreation News*. Inside these pages you will find programs for every member of your family at prices you can afford.

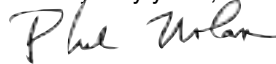

To kick off the season, we are once again presenting our gala festival, *Winter by the Bay*, at the Bay Shore Marina. On December 26-28 and January 1 and 2, we will offer free family fun, including ice skating, sledding, horse and buggy rides and Santa himself.

As a sports enthusiast, I am especially proud of our numerous athletic programs for children and adults. Winter is the perfect time to visit Town Hall West and participate in our Open Gym Basketball program — or enroll your children in our winter basketball clinic to help them improve their skills. Swimming, volleyball and exercise classes ranging from yoga to T'ai Chi are just a few of the many options open to residents in the next few months. And don't forget cultural programs. Islip Town provides trips to the latest Broadway shows and the most popular historic destinations in the Tri-State area. Our own museum presents changing exhibitions of work by leading contemporary artists, and our unique South Shore Nature Center provides environmental education activities in a picture-perfect setting.

Although winter is just beginning, it is not too early to think about summer. *Recreation News* includes a special section describing all our summer camp programs and our early registration policies and procedures. Your Town offers dozens of camp opportunities designed to meet the needs and interests of children of all ages.

Your Town Board and I believe that high-quality, low-cost recreation programs are the key to maintaining the quality of life in Islip Town. We look forward to serving you and your family this winter — and all year round.

Very truly yours,

Phil Nolan  
Islip Town Supervisor

## KEEP ISLIP CLEAN

Keep Islip Clean continues to support volunteers in a variety of projects designed to keep all 18 hamlets clean and green. In recent months hundreds of hard working volunteers have turned out in force for the West Islip Beach improvement project, the International Coastal Cleanup, and an Islip Main Street Beautification event. Hundreds more volunteers work on projects that involve longer term commitments, such as Adopt-A-Highway/ Spot and students' community service projects.

KIC's next major project is the Sneaker Recycling program organized by our Junior Commissioners, a special group of high school volunteers nominated by their principals. This innovative recycling program is designed to keep Islip clean by reducing waste and helping the environment while also benefiting Nike's "Re-Use a Shoe" campaign. All sneakers collected will be

shipped to Nike's Recycling Center courtesy of the Long Island Ducks and KeySpan and will be ground into materials that are used to make athletic surfaces for donation to underserved communities. KIC will accept any brand of sneaker that **does not contain metal** throughout January, at the KIC Office located at 660 Main Street, Islip, between the hours of 10 a.m. and 4 p.m., Monday through Friday.

For information on how you can improve your community, please call Executive Director Nancy Cochran at 224-2627.

## ART IN NATURE CAMP

This school break program will be an interesting and creative way to keep children happily busy over the spring recess.

Does your child enjoy the outdoors and creating art? Our young artists will take their inspiration from the earth – using themes and materials from plants, animals, geology and the forces of nature. We will draw, paint and fabricate beautiful and exciting projects. You have never seen an art program like this – *guaranteed*.

Jeff Gottlieb, a naturalist and primitive technology expert, has been teaching primitive living skills for over 20 years. Through his studies, he has been exposed to the underlying beauty of art in nature. Jeff will be running this camp with the same emphasis as his summer *Man in Nature Camps*. Remember to send in lunch and beverages with your child.
